

Cyber Shujaa
Microsoft ADC Cybersecurity Skilling Program
Cloud Security Specialist

NAME: ALEX EVANS NJIRU MBOGO

CS NO:adc-css02-25064

ASSIGNMENT 2 :

Introduction

This week I worked through the **second section** of the SC-900 Learning Path available at <https://learn.microsoft.com/en-us/training/courses/sc-900t00>

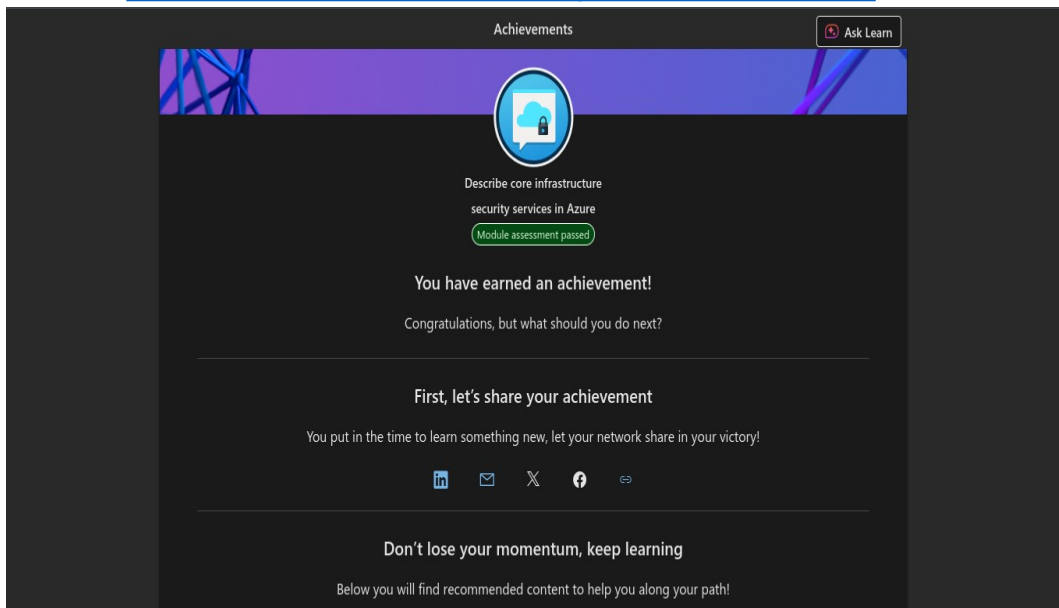

1. Describe core infrastructure security services in Azure
2. Describe the security management capabilities in Azure
3. Describe security capabilities of Microsoft Sentinel
4. Describe threat protection with Microsoft Defender XDR

Tasks Completed

a. Describe core infrastructure security services in Azure

- in this section I explored the different service offerings provided by Azure, including DDoS protection, Azure Firewall, network security groups, and Azure Bastion to protect access to your systems.

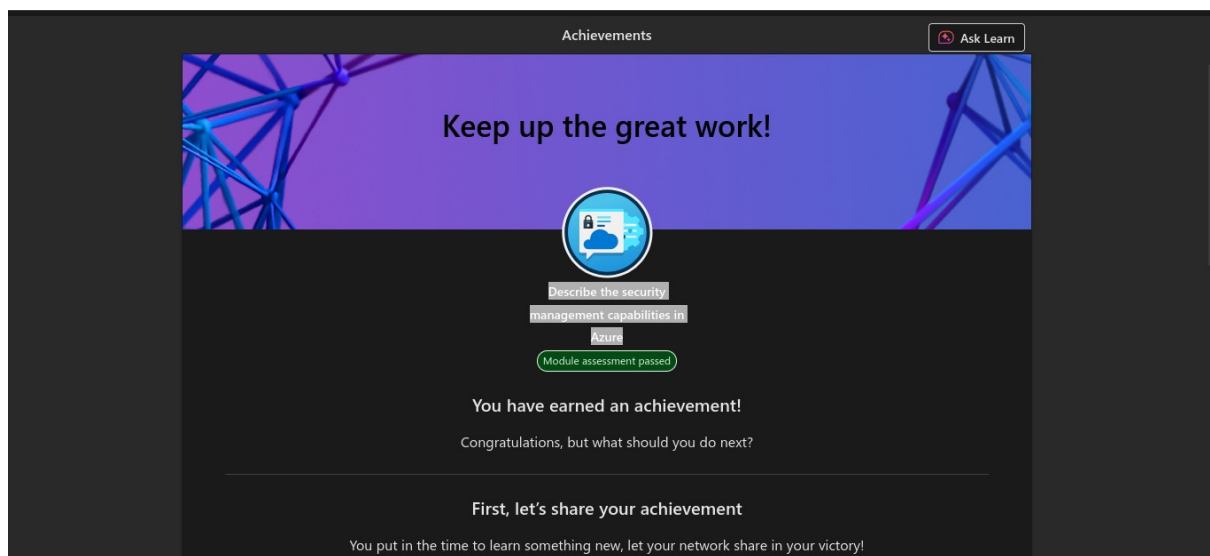

[https://learn.microsoft.com/api/achievements/share/en-us/AlexEvans-7442/JUG7KHZT?sharingId=9597EA1B8F88A61\](https://learn.microsoft.com/api/achievements/share/en-us/AlexEvans-7442/JUG7KHZT?sharingId=9597EA1B8F88A61)

b. Describe the security management capabilities in Azure

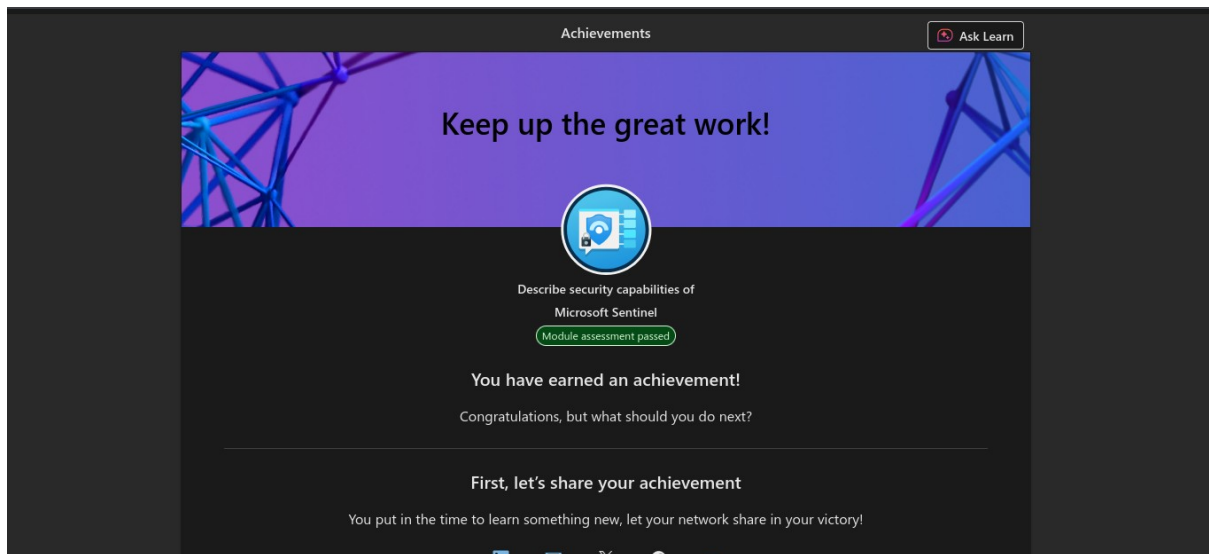

In this module, I learnt about Microsoft Defender for Cloud and how it uses security policies and initiatives to improve cloud security posture. I also learnt how each of the three pillars of Microsoft Defender for Cloud protect against cyber threats and vulnerabilities.

<https://learn.microsoft.com/api/achievements/share/en-us/AlexEvans-7442/XQZGLGAY?sharingId=9597EA1B8F88A61>

c. Describe security capabilities of Microsoft Sentinel

<https://learn.microsoft.com/api/achievements/share/en-us/AlexEvans-7442/YE26YSSR?sharingId=9597EA1B8F88A61>

d. Describe threat protection with Microsoft Defender XDR

in this module, i learned how Microsoft Defender XDR delivers on the promise of an XDR solution to help protect organizations. I also explored the capabilities of the Microsoft Defender portal, including Microsoft Secure Score, reports, and incident management.
